ClassMate Reader

Loan Program

HumanWare is pleased to offer a short term loan program for your evaluation to better understand and experience all the benefits that the ClassMate Reader can offer to your students.

Who is the program designed for?

The Loan Program is created for assistive technology centers, reading support programs, and agencies that serve individuals with impairments so that one to ten ClassMate Readers can be loaned to support alternative access to print materials.

Timeline

Requests for the Loan Program can be made for a two to four-week period. HumanWare will like to maintain a schedule so that this program can be made available to any agencies that have submitted a request.

HumanWare Responsibilities

- Provide for the cost of shipping the ClassMate Readers and accompanying components to the agency
- Provide toll free technical assistance during the loan period
- Provide a survey and collect feedback agencies participating in the Loan Program

Agency Responsibilities

- Use the ClassMate Readers properly
- Maintain the ClassMate Readers in a safe and secure manner
- Contact HumanWare for technical assistance or to report damaged equipment
- Provide for repair or replacement of HumanWare equipment and accompanying components according to the current market value
- Return all ClassMate Readers and accompanying components at the end of the loan period. The components include:
 - SD cards
 - carrying cases
 - power adapters
 - audio headsets
 - USB cable for computer content transfer
 - USB cable for thumb drive or memory stick connection
 - users guide and manuals
- Send survey to HumanWare
- Provide for the cost of shipping the ClassMate Readers to HumanWare at the end of the loan period
